That's Not My Job!

This is a story about four people named: **Everybody, Somebody, Anybody and Nobody**. There was an important job to be done and **Everybody** was sure that **Someone** would do it. **Anybody** could have done it, but **Nobody** did it. **Somebody** got angry about that, because it was **Everybody's** job. **Everybody** thought **Anybody** could do it, but **Nobody** realized that **Everybody** wouldn't do it. It ended up everybody blamed **Somebody** when **Nobody** did what **Anybody** could have done.

**Don't practice
until you
get it right.**

**Practice until
you CAN'T
get it wrong.**

ACHIEVEMENTS

The way you do
anything
is the way you do
everything.

IT'S NOT HARD.

you just think it's hard
because it's NEW.

Practice makes it
NOT new.

If you are
PERSISTENT
you will get it.

If you are
CONSISTENT
you will keep it.

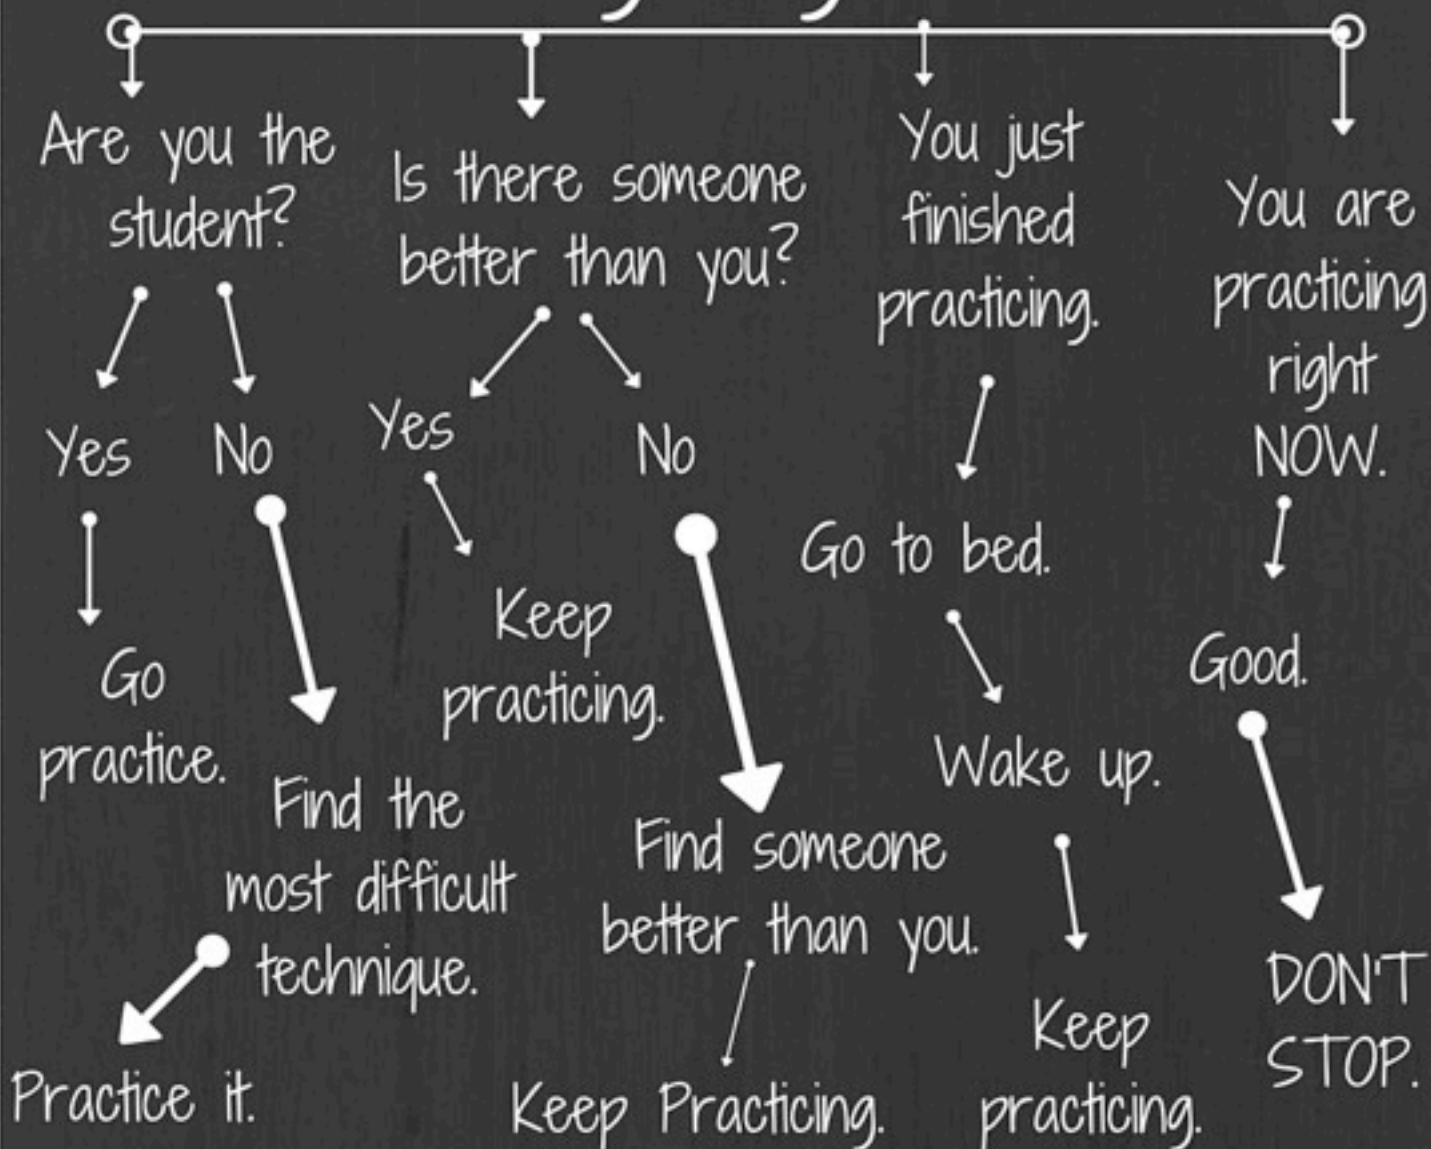

Sooner or later
the one who wins
is the one who
thinks he can!
